KÜTAHYA PORSELEN

For Kütahya Porselen, design is not just a process, it is a management approach. Design is a deep and integral part of corporate culture. Kütahya Porselen has the principle of being innovative, user friendly, health aware, environmentally friendly, accessible and universal in its design. The aim is to differentiate with unique products which are designed in our design center and in corporation with globally well-known designers.

Kütahya Porselen invites you to the exciting world of Skallop Collection, created in collaboration with Karim Rashid inspired by nature.

Kütahya Porselen için tasarım bir süreç değil, bir yönetim anlayışıdır. Tasarım, kurumsal kültürün derin ve ayrılmaz bir parçasıdır. Kütahya Porselen tasarımlarının yenilikçi, kullanıcı dostu, sağlıklı, çevreci, ulaşılabilir ve evrensel olmasını prensip edinmiştir. Benzersiz ürünlerle farklılaşma stratejisi doğrultusunda kendi tasarımcılarının yanı sıra ulusal ve uluslararası tasarımcılarla da iş birliği yapar.

Kütahya Porselen, Karim Rashid iş birliği ile ortaya çıkan doğanın kusurluluğundan ilham alan Skallop Koleksiyonunun heyecanlı dünyasına sizleri de davet ediyor.

SKALLOP COLLECTION

BY KARIM RASHID

Karim

"The Skallop Collection is based on a contradicting perfection. Most tabletop dishes are pure and have a circular form; whereas nature is organic, fluid, and completely irregular in form, shape and colour. So, the idea of Skallop is to create a democratic collection of dishes that appear handmade, and give a sense of imperfection to marry nature and food in our organic ritual of eating."

Karim Rashid

"Skallop Koleksiyonu kusursuzluk eleştirisine dayanır. Sofralarda kullandığımız bir çok tabak kusursuz bir daire formundayken; doğa organik, akışkan, düzensiz biçim ve renklerde. Skallop Koleksiyonunun altında yatan fikir doğanın ulaştığı herkese ulaşan, elde yapılmış gibi görünen, yeme ritüellerimizin organikliğine ve doğanın kusurluluğuna gönderme yapan bir koleksiyon yaratma fikridir."

COLOURED

COLLECTION

The Coloured series of the Skallop Collection is obtained with coloured raw materials specially prepared for the collection. The colour is not just at the surface, it is diffused in the whole body. Just like a part of nature.

Skallop Koleksiyonunun Coloured serisi, bu seriye özel hazırlanan renkli hammaddeler ile elde edilmiştir. Bu nedenle renkler sadece yüzeyde değil, ürünün her zerresine nüfuz etmiştir. Tıpkı doğanın bir parçası gibi.
